

Appl. No. 10/623,815
Prel Amdt. dated 1/19/07
Reply to Advisory Action of 1/3/07

REMARKS/ARGUMENTS

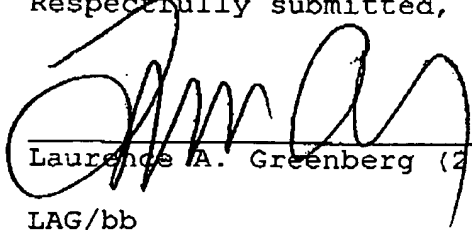

Reconsideration of the application is requested.

Claims 1-3 and 5-13 remain in the application and are subject to examination. Claim 1 has been amended. Claim 4 was previously canceled.

This preliminary amendment is filed in order to comply with the Examiner's suggestion on page 2 of the Advisory Action. Specifically, the term "to" in line 6 of the last paragraph of claim 1 has been replaced with the term "between."

In view of the fact that the Examiner's explanation of how the claim should be amended to distinguish over the prior art has been incorporated into claim 1, it is believed that all of the claims are now in condition for allowance.

Respectfully submitted,

Laurence A. Greenberg (29,308)
